WEBB AND KIBBY DEFY PEOPLE'S DEMAND

REFUSE TO HEED CRIES OF ECONOMIC DISTRESS; RESUME BUS DRIVING JOBS

Jeopardization of Students' Safety Seen as Result of Webb's Return

In an outrageous example of deprivation of the means of livelihood to those desperately in need and of flagrant defiance to public sentiment, Barton L. Webb and H. M. Kibby, faculty members, returned to their former jobs of driving Washington Union high school buses this week.

Public opinion had spared no words in vigorously scoring Webb and Kibby during the fall session of the school for holding down bus driving jobs and at the same time drawing handsome salaries as faculty members. It was believed that with the beginning of the new year, these men would realize what an injustice they were doing to unfortunate citizens of the township with starving families and badly in need of a job. But, apparently, the pair are immune to any cries of economic distress and turn a deaf ear to demands of the public, by whom they are hired, as the fact that they are back at bus driving is ample testimony.

Both men are under contract to drive buses until the end of the school year and it is understood that they are resolutely determined to hold their jobs in spite of what indignation their actions may bring.

It also has been reported that the high school board of trustees are not in unison in desiring the resignation of the "two-job" holders. Certain members of the group are said to stand with Webb and Kibby, thus displaying utter disregard for the demands of the people whom they are under obligation to serve. At a recent session of the board, a resolution was passed that the resignations of Webb and Kibby would be accepted if the two were willing. Kibby seemed willing for a time as he ceased driving for a week, but Webb is said to have defiantly refused to consider giving up the job and under terms of his contract went back to driving. With the high school board not unanimous in agreement that the pair should be ousted, Kibby thus also defied all public sentiment and assumed his job again.

That Webb would resume bus driving again after his near catastrophe of last October when he wrecked the bus driven by him, near Newark, and endangered the lives of nine students, has been greeted with amazement and outrageous indignation by township people who feel concern over the safety of their children.

In spite of this near tragedy, and loss to the district directly \$5,000, and indirectly another \$5,000, Webb seemingly has not learned his lesson, and lives of township citizens' children and the district's property must continue to be jeopardized by employment of a driver whose efficiency may be questioned.

And because of the stubbornness of the two faculty drivers and the refusal of the high school board of trustees to heed the cry of public indignation and turn their ears to those deserving citizens of the township whose very existence might depend upon the remuneration that a bus driving job brings, a shameful situation that is an outstanding disgrace to the community continues to flourish.

IRVINGTON REDS IN TIE GAME WITH ALAMEDA WOODMEN

Pitcher's Battle Ends In Deadlock at Two to Two Score

In a contest with calamities and bad breaks, in which three of the Irvington nine were injured, Irvington held the Alameda Woodmen to 2 to 2 tie Sunday at Lincoln park, Alameda.

The most seriously injured Red was Al Monese, second baseman, who was hit in the head by a hard-pitched ball and knocked unconscious. He also suffered a badly split ear.

The game was a pitcher's battle with "Red" Blacow, Irvington twirler, allowing only four bingles, while Phillips, Woodmen chucker, held the Reds to eight scattered blows.

After eight innings with no counters by either team, the Reds broke the tie and tallied twice in the first half of the ninth. The Woodmen deadlocked the count in their half of the canto when after two men had been retired a bad play allowed two runs to trickle in, necessitating a return game between the two teams.

Despite the tie, the Reds still hold first place in the Inter-City League.

Spectacular play on the field in Sunday's contest by Al Muniz and Mick Power in the outer gardens and Wayne Day at first kept the Woodmen from threatening during the first eight innings. With their usual spark missing Sunday, both Pine and Power, Irvington's two batting aces, went hitless, which was a big shock to the Reds as the two have contributed most of the scoring punch during the season.

Wilbur Bettencourt, in spite of an injured side, connected for three safeties in four trips to the platter to cop batting honors for the day.

The Reds will meet the Woodmen in a return game in the near future. Due to a change in league schedule, Irvington who was slated to meet Meeks Service Station last Sunday was awarded the contest by forfeit and was forced to play Alameda on short notice.

Next Sunday Irvington meets Allen's Grocery at Irvington.

Line-up Sunday was:

COLD NIGHTS IN STORE FOR NILES NIGHT OFFICER

When thieves steal possessions of any ordinary citizen that's news but when they become bold enough to rob an officer of the law while he is on duty, that's more news.

The above mentioned theft was committed against Arthur Roderick, Niles night patrolman, Saturday night, when thieves made away with a large blanket from the officer's car.

The night patrolman employed the robe to keep warm during the cold hours of the night as he patrolled the town in his car or kept watch from a central point on First street. Leaving the machine parked late Saturday night, he returned to find the blanket missing. And now the night officer shivers as his thoughts dwell on the fact that winter is yet not over.

STUDEBAKER BID FOR NEW BUSES IS SELECTED BY BOARD

Rose Garage, of Niles, To Receive Benefit of Purchase

The bid by the Studebaker Motor Company, of which Rose Garage of Niles, is the township agency, was recommended to the district attorney's office by the Washington Union high school board of trustees at their meeting last Thursday night for action on the ten bids submitted for purchase of two new high school buses.

The bid, amounting to \$3042 for two chassis, was submitted to District Attorney Earl Warren for his inspection and approval before buses are finally purchased.

Studebaker's bid was second to the lowest of those submitted. Dodge submitted a bid of \$2738, but this failed to meet the requirements and specifications of the board.

After its story in last week's issue in which rumors of favoritism in drawing up the specifications was reported, the Register is glad to see the board approve the bid by the Studebaker, which was the lowest that could be considered, and that a township firm will undoubtedly benefit from the purchase of the buses.

It is reported, however, that the board drew up specifications in such a manner that Ford and Chevrolet firms were unable to submit bids. Two of these type of buses could have been purchased at a price half the amount which will now be spent, and at the same time give all the necessary service. It would only be a saving of \$5000 and that is a trifling sum when it narrows down to spending the public's money.

The district attorney notified the board Tuesday morning that the bids were in order, and the board hopes to settle the matter as soon as possible in order to enable the Studebaker interests to ship their buses from the east by the latter part of the month.

New bids will have to be submitted for the bodies of the two buses, as the district attorney's office threw out all three bids submitted last week because they did not meet requirements.

The new bids on bodies are expected to be opened at the meeting of the board on Tuesday, January 24, at which time final decision on the chassis purchases will be made.

CONFIDENCE IN NATION'S FUTURE IS SOUNDED AT NILES CIVIC GATHERING

GIRL INJURED AS CARS CRASH IN HEAVY FOG

Body bruises and a fractured rib were suffered by Miss Mary Green, of Palo Alto, when her car skidded and crashed into an automobile driven by Manuel Escobar, of Irvington, at Machado's Corners between Alvarado and Centerville last Thursday.

Miss Green was traveling on the Dumbarton Bridge road and failed to see the stop sign before entering on the main highway. The heavy fog was blamed for the accident.

A local doctor was called to the scene of the accident to treat the injured girl, after which she was taken by the Botelho ambulance to her home in Palo Alto.

Oakland Bank Executive Delivers Inspirational Message of Hope

Stressing the fact that the United States has never failed to overcome any depression during its history, a note of confidence in the future was sounded by W. H. Sinclair, vice-president of the Bank of America, with headquarters in Oakland, to a large and interested audience at the Niles Chamber of Commerce meeting Monday noon.

As a result of the authorization of expenditures in the bay area of one of the largest sums of money to be spent on projects in any section of the country, the bank officer forecast a particularly bright future for this section of the state.

In quoting the sums of money, which total \$169,000,000, to be spent on the various projects in this area, Sinclair pointed out that such expenditures cannot take place without having its hearty beneficial effect on the business of this section. Among the projects listed were:

Five millions for Marin bombing base; \$245,000 for San Quentin prison buildings; \$415,000 for Marin county construction work; \$32,000,000 for San Francisco Oakland bay bridge; \$27,800,000 for additional San Francisco construction work; \$475,000 for peninsula construction work; \$1,000,000 Associated Oil Company construction work in bay area; \$1,500,000 Shell Oil Company construction work in bay area; \$3,000,000 Alameda county relief bonds; \$350,000 for San Mateo construction work; \$5,000,000 for Sunnyvale air base.

One million three hundred seventy-eight thousand, five hundred dollars for Mare Island construction work; \$415,000 for Vallejo construction work; \$75,000 Alameda county postoffice construction work; \$170,000 for east bay municipal utility district construction work; \$172,000 by Port of Oakland; \$4,053,000 for other east bay construction; \$4,487,000 for highway work in district 13; \$714,000 for San Jose construction work.

"What you take into the future will largely govern what you take out" stated Sinclair in explaining the necessity of restoring public confidence in government and financial institutions of the country.

Explaining that the cause of the financial crash in 1929 was largely due to the expansion of business and credit in unwarranted measures, the speaker sounded a warning against the public laboring under the delusion that because business is always good that it will remain in that state forever, and not failing to look forward to troubles created by too rapid expansion.

"Your problem today" Sinclair told the chamber, "is not to be mesmerized by the conditions surrounding you, but to keep your eyes fixed on where you are going and proceed a step at a time."

Creation of the Re-Finance Corporation to provide credit to business institutions in the country was seen by the bank officer as a powerful force in restoration of confidence to the public and starting the nation on a smooth

NILES MAN BADLY HURT AS AUTO HITS TRUCK

When his car crashed into the rear of a heavy truck in the dense fog between Niles and Hayward Saturday night, Kenneth H. Leash, manager of the International Wood Products Company, at Niles, suffered a severe wound on the forehead. Six stitches were required to close the cut. He was taken to the Hayward hospital for treatment.

Although Leash's injury was not considered critical, it is expected to keep him from his duties for some time. He returned to his home Tuesday.

The driver of the truck, who escaped injury, was Dale Paul, of Fresno.

FUNERAL SERVICES ARE HELD FOR DECOTO MAN

Lobar pneumonia proved fatal to Antonio F. Gomes, sixteen years a resident of Decoto, who succumbed at his home there Saturday.

The deceased was born in Spain sixty-three years ago. He is survived by a daughter, his wife having died several years ago.

Funeral services were held from the Decoto church Monday, with Father James McCaul, of Niles, officiating. Interment took place in the Holy Sepulchre cemetery near Hayward. Botelho Chapel of Palms, of Centerville, was in charge of funeral arrangements.

NEEDY CHILDREN TO CONTINUE GETTING FREE MILK

Free milk and lunches will be continued to be provided needy children at the Niles grammar school, it was decided at the regular meeting of the Niles Parent-Teachers' Association held at the grammar school Tuesday afternoon.

The milk and lunches are furnished at the cafeteria.

The need of securing boys' clothing for needy boys at the school was stressed at the meeting. There has been a shortage of these garments, and those having clothes for which they have no further use have been asked to take them directly to the school faculty members to be distributed.

Decision was made to invite David E. Martin, county school superintendent, to speak to the next meeting of the association, to be held February 14, on the subject of new school laws coming up in the session of the state legislature this spring.

It was also decided to invite the Niles Chamber of Commerce to luncheon at the grammar school some time in February. The "Buy American" policy, which already has been approved by the district Parent-Teachers' Association, was endorsed at the meeting.

Irvington Man's Car Wrecked In Heavy Fog

A car driven by Ernie Garcia, of Irvington, went into the ditch and was wrecked late Saturday night when it collided with another machine at the Milpitas crossroads.

The crash crippled the steering wheel on Garcia's car which went through a fence and over an embankment. No one was injured. Heavy fog was responsible for the accident, according to Garcia.

Knights Of Columbus To Gather At Niles Sunday

Arrangements have been completed by the Centerville council of the Knights of Columbus, comprising residents from all over Washington township, for the annual quarterly communion to be held at the Niles Corpus Christi church Sunday morning.

Morning mass will be followed by a breakfast at which a prominent speaker will deliver the chief address of the affair. All members of the council have been urged to attend.

Niles School Starts Basketball Practice

Practice started this week for the boys' and girls' basketball teams at the Niles grammar school. With several veterans back from last year, indications point to a strong five among the boys.

After a regular quintet has been organized by E. D. Bristow, principal, the boys will meet other school fives in the township.

LEG BROKEN

Gordon Marshall, second grade pupil, at the Niles grammar school, suffered a broken leg last Thursday when he fell from the rings on the school play grounds. The leg was set by Dr. E. C. Grau.

Ed. Rose attended the auto show in San Francisco Saturday night.

MAN LIES ALL NIGHT IN CREEK AT PLEASANTON

Is in Critical Condition in Hospital in Livermore This Week

After lying all night in a semi-conscious condition in his automobile on the bed of the Arroyo del Valle near Pleasanton, M. B. Shenk, 3911 La Cresta avenue, Oakland, was taken to a Livermore hospital last Sunday morn. He was suffering from a broken leg, cuts about the head and face, and probable internal injuries.

Dr. John Degnan announced that Shenk was in a critical condition. The injured man, together with his brother-in-law, James McDonald, also of Oakland, had attended a New Year's party in Pleasanton. Shenk is said to have left the party about nine o'clock Saturday night and driven away in his automobile. When he did not return McDonald organized a searching party for the missing man.

Sunday morning Charles La-Franz, employed at the Pleasanton Wrecking Works on Buena Vista avenue, heard groans coming from the creek across the road from his place of occupation. His investigation disclosed Shenk lying inside the car.

Constable Al Vervais, who was summoned, together with McDonald, removed the injured man to the hospital.

WISE and OTHERWISE

By JUDGE WM. T. DAVIS Pleasanton

There is a premium awaiting the fellow who can tell us where we are now.

The scandal mongers' mission, according to the Santa Rita Philosopher, is that of a polecat—to raise as much stink as possible.

It requires more than an ordinary medium to locate good spirits since the repeal of the Wright Act.

A young man in Wisconsin drove two miles alone before he discovered that his sweetheart had fallen out of the automobile. Love making in that state, says the Sweet Young Thing from Sunol, must lack some of the ardor shown around these parts.

Mary had a little lamb. Her father shot it dead. And now it goes to school with her. Between two hunks of bread.

Union Sanitary District To Improve Sewer Outfall

At the meeting of the Union Sanitary District directors held last Wednesday night in Centerville, Mr. Boggs, formerly connected with the county surveyor's office, was present and was directed to complete plans and specifications for the necessary improvements to the district's sewer outfall.

The improvements are expected to be completed as soon as Boggs presents the plans.

Traffic Offenders Choose Suspension Of Licenses

A larger proportion of traffic law violators than usual are having their driving licenses suspended for thirty days in preference to paying fines when they appear in the Centerville justice court, reports Judge Allen G. Norris. The lack of finances to pay the fines was given by Judge Norris as the reason for the motorists submitting to suspension of licenses.

NEW CADET TEACHER

Miss Enriene, cadet teacher at the Centerville grammar school during the past six weeks, has returned to San Jose State Teachers' College where she will resume her studies. Kenneth McCoy is now doing cadet teaching work at the school.

Mrs. O. W. Ebright, district school health nurse, was a visitor at the Centerville grammar school Monday morning.

WASHINGTON CLASS B HOOPERS WIN GO; UNLIMITEDS LOSE

Sekigahama Stars In 26 to 24 Victory Over Emeryville

Two exciting contests which kept spectators on edge until the final whistle resulted in a win and a defeat for Washington Union high school hoopers against Emeryville high school Friday night in the Centerville gymnasium.

With Sekigahama hitting the net from all angles to contribute two-thirds of his team's points, Coach Jess Regli's Class B cagers kept up their winning streak in league competition by eking out a 26 to 24 victory.

When Emeryville scored three field goals in rapid succession as the contest was nearing a close, the Washington unlimiteds five came out on the short end of a 19 to 13 decision.

The B tilt was a thriller from start to finish, with neither side holding a lead of over two baskets. When the whistle sounded for half time, the Washingtonians held a slender advantage of one point, with the count reading 15 to 14. The lead was maintained during the second half, although Emeryville seriously threatened on several occasions.

Sekigahama for the winners garnered a total of sixteen points. His stellar sharpshooting was largely responsible for the victory. Fudenna contributed eight points to the final count.

Washington line-up and scoring was:

Sekigahama (16), Kato, Fudenna (8), Whipple, forwards; Koga, Yamashita, center; Brown, Muni (2), H. Kato, Dusterberry, guards.

UNLIMITED GAME

Coach Regli used a number of his squad in the effort to evolve a winning combination, but Emeryville was not to be denied. At the half they held a 12 to 6 lead.

During the second half, the Cornhuskers displayed a more sparkling brand of ball and cut down the lead until it appeared as if they would overtake their opponents. The last minute scoring splurge, however, put the contest on ice for Emeryville.

Laybourne and Phippen turned in the best offensive game for Washington, while Coley proved a strong bulwark at guard.

Washington line-up and scoring was:
Rathbone, Phippen (4), Laybourne (6), Rose, forwards; Rodrigues (1), Scott, center; Martin (1), H. Brown, Muni (1), Coley, Maderios, R. Brown, guards.

Man Faces Trial For Shooting After Hours

Ben Mozzetti, of Irvington, will face a court trial before Judge Allen Norris Friday afternoon (tomorrow) on charges of shooting ducks after hours.

At last Friday's court session, the man plead not guilty to the charge and waived a jury trial. He was arrested recently by State Game and Fish Warden Frank Boonhower.

LIONS CLUB WILL SPONSOR SCOUTS AT CENTERVILLE

Decision Made to Supply Undernourished Chil- dren With Milk

In the effort to stimpale interest and foster more rapid growth, the Centerville Lions Club decided at its meeting held last Wednesday night in the El Lido cafe to sponsor the Boy Scout troop.

Growth of the Centerville scout troop has been slow and very little interest has been manifested in its activities during the past, a condition which the Lions Club by its sponsorship hope to remedy. The subject was brought before the meeting by Dr. G. S. Holeman. Lorion Marriott also spoke in favor of the sponsorship plan.

The Boy Scout committee is headed by Dr. G. S. Holeman and Lorion Marriott and Allen G. Norris are members. The other men will be named later.

The civic body members also decided at Wednesday night's meeting to supply milk for small, undernourished children at the Centerville grammar school. Joe Jason presented this matter to the meeting. A committee consisting of Dr. Holeman, Joe Jason, Joe Bauhofer, and Harry Elsey will present a report on the milk plans at the next meeting of the club to be held Wednesday night, January 18.

Plans for the numbering of houses and naming of the streets in Centerville were adopted at the meeting and the project will now be completed as soon as possible, according to Frank Madrugra, president.

Roland Bendel, of Decoto, told the Lions how the Decoto Chamber of Commerce carried out its street naming and house numbering project.

The committee on the house numbering and street naming project consists of the following: Chick Santos, chairman; Allen G. Norris, Manuel Alameda, Captain P. C. Hansen and Dr. G. S. Holeman.

DEATH SUMMONS FORMER RESIDENT OF CENTERVILLE

H. W. DeLeon, former Niles and Centerville resident, and father of Harold DeLeon, well-known Centerville business man, died in Oakland Friday. He had been in ill health for the past year.

DeLeon was born in Cincinnati, Ohio, sixty-two years ago and came to California when he was a youth. He was engaged in business in West Berkeley for a number of years and later in Alcantrez. DeLeon later moved with his family to Niles and then lived in Centerville. He was active in political work during his stay in Washington township. He moved to Oakland above seven years ago.

In addition to Harold, the deceased is survived by his wife, three daughters, and two sons.

Funeral services were held Monday at a Berkeley mortuary, and interment followed in Old St. Mary's cemetery at Piedmont.

Centerville School Fives Prepare For Contests

Practice has resumed for the Centerville grammar school basketball teams in anticipation of games with other township teams in the near future.

The unlimited squad is composed of Manuel Baptista, Manuel Soit, Edward Lewis, George Hideo, Walter Rupp, Angelo Cogolina, and Robert Mattos. Stanley Rogers, Robert Hodges, George Mathiesen, Clyde Anderson, Robert Coit, Howard Stienhilver, and Walter Rupp made up the lightweight squad.

FORMER RESIDENT IS BURIED AT CENTERVILLE

Funeral services were held at the Centerville Holy Ghost church yesterday morning (Wednesday) for Minnie Secada, a former resident of Washington township and well-known in Centerville. She died Monday at her home in Monterey after a lingering illness.

The deceased was sixty-eight years of age. She resided at her home on the Newark road for approximately twenty-five years before moving to Monterey. Her husband, a daughter, and a brother, Manuel White, of Centerville, and a sister, Mrs. Mary Neves, of Irvington, survive.

Father Souza officiated at the funeral services. Interment followed in the Centerville Holy Ghost cemetery.

A World's Record

MORE than three thousand births without a single loss of either mother or child! That is the official Platt County record of Dr. W. B. Caldwell, in fifty years' family practice in Illinois.

No wonder mothers have such entire confidence in giving little ones Dr. Caldwell's Syrup Pepsin!

If you have a baby, you have constant need of this wonderful preparation of pure pepsin, active senna, and fresh herbs. A child who gets this gentle stimulant for the stomach, liver and bowels is always healthier. It keeps children's delicate systems from clogging. It will overcome the most stubborn

condition of constipation. It builds them up, and is nothing like the strong cathartics that sap their strength and energy.

A coated tongue or bad breath is the signal for a spoonful of Syrup Pepsin. Children take it readily, for it is really delicious in flavor. Taste it! Take Syrup Pepsin yourself, when sluggish or bilious, or you are troubled with sick headaches and no appetite. Take some for several days when run-down, and see how it picks you up.

It is a prescription preparation which every drug store has ready; in big bottles, just ask anywhere for Dr. Caldwell's Syrup Pepsin.

PATRICK QUINN PASSES AWAY IN PLEASANTON

Patrick C. Quinn, one of Pleasanton's most honored citizens, passed away at his home recently.

Quinn died peacefully, his passing being due to old age. He was eighty-three years old.

Quinn was born in New Port, Ireland. He came to America at an early age, landing at Albany, where he lived until 1877, at which time he came to California by way of the Isthmus of Panama and landed at San Francisco.

Quinn was a carriage painter by trade and while in San Francisco was engaged in that business.

He came to Pleasanton on February 22, 1880, to work for the late J. A. Bilz, who owned a carriage shop. There he was engaged in painting carriages.

Quinn was married to Annie M. Carolan, of San Francisco in a San Francisco church on January 5, 1881. He brought his wife to live in Pleasanton, where they made their residence since.

In 1898 he was elected Justice of the Peace and served in that capacity for thirty-two years. He resigned his position in 1930 because of his old age. For the past two years he was retired and lived at home with his daughter, Miss Mary Quinn.

Funeral services were conducted by Father James Viladomat at the St. Augustine's church last Monday morn with requiem high mass. In honor of Quinn, eight priests, all of whom were friends of the deceased, attended the services. Services at the St. Augustine's cemetery were conducted by Father Timothy Galvin, of Alameda, former priest in Pleasanton.

The priests who attended the services were Monsignor R. Collins, of San Francisco, representing Archbishop Hanna; Father P. O'Neil, of San Anselmo; Father Timothy Galvin, of Alameda; Father E. Looney, of Livermore; Father J. McCaul, of Niles; Father D. Kelley, of Rodeo; Father P. Galvin, of San Francisco; and Father T. O'Connor, of Oakland.

Funeral services at the funeral were Albert E. Vervais, Jack Nolan, Joseph Vizzolini, Charles Florio, Joseph Amaral, all of Pleasanton, and Rod Tehan, of Dublin.

Judge Quinn is survived by two daughters, Miss Mary Quinn and Mrs. Edward Grover, of Berkeley. He also leaves a son, Matthew, of Richmond. Two nieces, Mrs. O. Berge and Mrs. T. Trodden, of San Francisco; four nephews, W. J. John, Mathew and James Quinn, of San Francisco; and two grandchildren, Patricia C. and Edwin J. Grover, of Berkeley, also mourn his passing.

Anita Wieking Made New Principal at Sunol

Miss Anita Wieking, of Sunol, was appointed principal of the Sunol Glen grammar school, at a meeting of the board of trustees recently.

Miss Wieking's appointment followed the resignation of George Richards, who had been principal for three years. Richards resigned his position one week before the Christmas vacation.

Miss Wieking has been teaching at the Sunol school for eight years and is well liked in that community. She has lived in Sunol. She is instructor of the first and second grades.

Frank Bricker, of San Leandro, is the new teacher added to the staff. He will teach the classes formerly handled by Richards. They are the sixth, seventh and eighth grades. Bricker has taught grammar school for fifteen

Hold-up Man Caught In San Jose by Police

San Francisco Youth Is Identified by Pleasanton Man

Dewey Belmont, of San Francisco, was identified by Lon Ruppel as one of the youths who held up the Ruppel service station last Wednesday evening. Belmont and a companion were caught by the San Jose police last week when they attempted to rob a service station in that city.

It was necessary for the San Jose officers to shoot holes in the car used by the hold-up men in order to stop them. The car in which the youths were riding was a stolen machine.

Belmont's accomplice was Edward Coleman, also of San Francisco. Ruppel could not identify Coleman as the partner of Belmont at the time the Pleasanton service station was held up.

Both youths are being held at a San Jose jail pending a hearing before a San Jose court in the near future.

years and comes well recommended to the board.

George Roraback will drive the school bus, bringing the children from the country into town. This work was formerly done by Richards.

Hints For Homemakers

By Jane Rogers

A LITTLE raw tomato juice is excellent for removing unsightly stains from the hands, caused by paring vegetables. Lemon juice can be used for the same purpose.

If your gravies refuse to brown properly, add a teaspoon of burnt sugar diluted in a tablespoon of cold water. You'll be surprised by the delightful golden brown color, and the flavor will be improved, too.

No medicine can take the place of water in its healthful effect upon the human system. At least one glass of water for every fifteen pounds in weight should be drunk by every adult every day.

NEW POST OFFICE TO BE STARTED IN PLEASANTON

Work on the new postoffice building for Pleasanton will start this week, according to Hermon Kolln, Pleasanton business man, who was recently awarded a ten-year contract by the United States Post Office department.

Bids for the building were being received last week by Kolln, and the contractor will be announced this week. The building will be constructed on St. Mary's street near Main street.

It will have the dimensions of twenty-five by fifty feet. It is to be made of brick and tile. In Kolln's contract he is to build

the structure and furnish the heat, light and water. The post office department will provide the boxes and furnishings.

Amador A and B Teams Resumed Practice Work

After a vacation of one week the Amador Valley high school A and B basketball teams resumed practice under the direction of Coach George Patterson last Tuesday and Wednesday evenings.

The boys practiced those two evenings to round themselves into shape to play against the Livermore Cowboys last Friday.

The B team was expected to have the toughest game of the season as they were playing against a team which is tied for first place in the league. Last year Livermore's B team took the league honors and they are looking forward to doing that again.

The Don A team had not yet been defeated this season, while Livermore was defeated once by the Emeryville five, a team which Pleasanton won from by a long shot in the third extra period of play. According to comparative scores the teams seem evenly matched.

This afternoon at three thirty the Dons will meet the Hayward Farmers at the Amador gym in two league contests. The Hayward A team has not been defeated in the league this year, and a good exciting game is expected to take place.

BABY IS LEFT IN PLEASANTON ON NEW YEAR'S EVE

Blonde, Blue-Eyed Boy Is Taken to Baby Hospital in Oakland

When Mrs. Henry Orloff, Buena Vista avenue, North Pleasanton, answered a ring at her door bell early New Year's Eve, she found, instead of some caller, a bundle containing a baby boy. In the distance she heard the sound of a fast-moving automobile.

The youngster is a boy, believed to be about two weeks old. He has blonde hair and blue eyes. He was wrapped in three spotlessly clean blankets and clothed in fine hand-made garments. In the bundle was his night dress, a change of clothing, a box of talcum powder, a cake of soap, a can of milk and two formulas for feeding him. The formulas were printed, apparently to disguise the handwriting, on fine stationery and the lettering and wording indicated that the instructions had been written by a cultured and well educated person.

The little one was in fine physical condition, showing that it had been well taken care of.

Chief of Police John Delucchi and Constable Al Vervais took the baby to the Vervais home, where it was cared for until Monday, when it was taken to the Oakland Baby Hospital.

Considerable interest was displayed in the finding of the baby. Constable Vervais reports that on Saturday night and Sunday more than 200 people called at his house to view the youngster.

No clue has been discovered by the authorities as to the identity of the baby's parents, or of the persons who left the bundle on the Orloff doorstep.

Thieves Escape With Loot From Pleasanton Dairy

Bunkhouse Is Robbed While Men Are at Work

Thieves broke into the bunk houses of the Meadowlark Dairy early last Monday morn and stole two watches, a pair of leather gloves, a gold fob and a little currency belonging to workmen, it was announced last week by managers of the dairy.

According to reports received from the men it is believed that the robbery occurred about five o'clock in the morning. It occurred while the men were at work. The articles stolen were keepsakes of their owners.

The victims of the robbery were Clarence Roa, who missed a gold watch, a pair of leather gloves and some money; David Lawrence, who lost a gold watch and a cigarette case; and W. A. Joseph, who was minus a gold watch fob and some currency.

No trace of the thieves has as yet been found.

ANNOUNCE RESULTS OF CHRISTMAS SEAL SALES IN TOWNSHIP

Report of Chairman Shows \$420.25 Realized At Present Time

Proceeds from the sale of Christmas Seals, conducted in Washington township by the Alameda County Tuberculosis and Health Association during the holiday season under the direction of local committees in each town amounted to \$420.25, a gratifying result considering present conditions, according to Mrs. J. E. Thane, general chairman of the township seal committees. In 1931 the Seal Sale realized \$547.80 according to Mrs. Thane's report.

In speaking of the sale, Mrs. Thane said:

"It is not yet too late for those who received Christmas Seals on Thanksgiving Day to take part in the year around campaign to prevent tuberculosis. Many people unintentionally mislay or forget the seals received and we hope that those who have not replied will do so now, and those who have not yet received their annual letter should apply to their town chairman or to me, and thus help continue the drive to eradicate tuberculosis."

"Christmas Seal funds, she said, are helping to finance the county wide program of tuberculosis control by providing medical and x-ray service in the tuberculosis clinics of the county, by aiding in the care of children at Del Valle Farm, by fostering health service in the schools and providing work-ets and equipment for other phases of disease prevention."

"In sponsoring this report I would like to thank various members of the eight towns in the township for the kind response to do the work, their most careful and conscientious attention to every detail, with the consequent splendid return."

Amounts raised to date in Washington township are: Alvarado, \$51.50; Centerville, \$69.75; Decoto, \$50.60; Irvington, \$33.00; Mission San Jose and Warm Springs, \$31.50; Newark, \$95.85; Niles, \$88.05.

Mrs. Thane also paid tribute to the splendid spirit of cooperation and generosity existing in the township in referring to the beautiful eighteen foot Christmas tree, awarded at a recent drawing held in Oakland, for the benefit of the Children's Hospital, which was sent to Del Valle Farm to be enjoyed by the children. Mrs. J. R. Whipple, chairman of Toyon Branch, learned that the children wanted a living Christmas tree very much and Mr. Marshall, the winner, was desirous of disposing of the tree.

Through the generosity of Geo. C. Roeding, it therefore was made possible for the Toyon Branch to present the tree to the Del Valle Farm.

Catherine Bottini Made Head of Pleasanton Lodge

Catherine Bottini, of Pleasanton, was installed as guardian neighbor of the Pleasanton Neighbors of Woodcraft at a meeting held in the Odd Fellows' hall last Friday afternoon.

running basis again. A hopeful and healthy sign, he said, was the fact that demands for loans on this institution were diminishing rapidly and that twenty per cent of the loans had been repaid.

In referring to the rapid rise of the machine age and its displacement of manual labor, Sinclair voiced the belief that it is here to stay and should do so, but that adjustments will have to be made in distribution of labor and wage scales, if the most desirable benefits are to be gained. "We apparently are moving in that direction," he said.

A return to more representative government was advocated by the speaker as a step forward in correcting the nation's problems. "However," he declared in closing, "I am convinced that the pressure of economics and the pressure of public opinion will force those in charge of the administration of our governmental and business affairs to take the right action which will lead to the restoration of confidence and

prosperity."

Dr. R. H. Bennett reported to the chamber that the committee on the firemen's dinner is making progress with plans and will be prepared to present a full report at next week's meeting.

A. J. Petsche was appointed to arrange for next week's gathering.
